

# MONTHLY RECEIVALS REPORT

Monday 3 April to Sunday 30 April 2017

South Australian total	Total 3 Apr – 30 Apr 2017*	Total 2016/17 harvest**
	10,015 tonnes	9,108,907 tonnes

## South Australian overview

Grain receivals into Viterra’s South Australian sites have passed 9.1 million tonnes, after 10,015 tonnes was received in the past month.

About 680,000 tonnes of grain was shipped from Viterra’s ports during April. This brings total bulk exports to nearly 4.3 million tonnes.

Port Lincoln broke Viterra’s daily ship-loading record on 13 April, loading 41,575 tonnes in a day. This is a great credit to the efficiency of the supply chain as well as the hard work of Viterra staff and road and rail partners.
