Notes to Table:

- Tonnages available are indicative estimates only, are subject to change and do not involve any guarantee by Viterro Operations that the capacity will be available. Whether or not this capacity (or more or less capacity) can be supplied will depend on a range of factors, including supply chain constraints, the performance of prior shipments, weather and various matters outside Viterro Operation's control.
- Tonnage available doesn't include allowances for the tolerance on booking nominations.
- Tonnages available assume an even spread of ETAs, minimal disruptions due to weather and other supply chain or port constraints.
- Tonnages available subject to acceptance of pending bookings.
- No Grace Period associated with slot(s) immediately preceding a Port Terminal Shutdown.
