

Monthly Receivals Report

Monday 4 March to Sunday 31 March

Viterra total	4 March – 31 March 2019*	Total 2018/19 harvest **
	2,431 tonnes	3,997,429 tonnes

We received 2,400 tonnes of grain into our network in the past month. The Eastern region received the most with over 1,700 tonnes delivered from 4 March to 31 March.

Viterra continues to facilitate outturns throughout the network to meet South Australian and east coast domestic demand whilst also working closely with exporters to meet end-use customer needs in international markets.

Wheat, barley, pulses and canola have been outturned by road and rail from various sites across our network, the majority of which was headed into the South Australian and east coast domestic markets.

Thevenard, Port Lincoln, Outer Harbor and Inner Harbour port terminals loaded vessels last week with a range of commodities destined for both domestic and export markets.

Western region receivals	4 March – 31 March 2019*	Total 2018/19 harvest **
	97 tonnes	1,932,577 tonnes

Central region receivals	4 March – 31 March 2019*	Total 2018/19 harvest **
	608 tonnes	1,579,107 tonnes

Eastern region receivals	4 March – 31 March 2019*	Total 2018/19 harvest **
	1,726 tonnes	485,745 tonnes

Disclaimer

* This data is subject to variation due to individual site operations and the timing of reports.

** The total 2018/19 data includes grain received into Viterra's storage and handling network since 8 October 2018.

*** Eastern region data includes Inner Harbour and Victorian sites.
