

Weekly Harvest Report

Week ending 16 December 2018

Viterra total	10 December – 16 December 2018*	Total 2018/19 harvest**
	391,071 tonnes	3,185,787 tonnes

Viterra’s receivals have reached over 3 million tonnes into our network as 390,000 tonnes of grain were delivered into our sites last week.

Receivals were steady at the start of the week but slowed with wet weather towards the weekend.

As Christmas and New Year approach, growers are encouraged to check the Viterra website for site opening times.

Viterra would like to wish you a very happy and safe Christmas.

Please note the next Harvest Report will be released on Wednesday 2 January.

Western region receivals	10 December – 16 December 2018*	Total 2018/19 harvest**
	195,077 tonnes	1,496,511 tonnes

The Western region received 195,000 tonnes last week bringing total receivals to just under 1.5 million tonnes for the 2018/19 harvest. Wheat has been the main commodity delivered.

Central region receivals	10 December – 16 December 2018*	Total 2018/19 harvest**
	134,111 tonnes	1,351,003 tonnes

134,000 tonnes of grain were delivered into the Central region last week, the majority of which was into Port Giles and Ardrossan sites.

Close to 1.4 million tonnes have been received in the Central region.

The first ship from Port Giles loaded last week.

Eastern region receivals***	10 December – 16 December 2018*	Total 2018/19 harvest**
	61,883 tonnes	338,273 tonnes

Total receivals for the Eastern Region have reached 338,000 tonnes, after almost 62,000 tonnes were received into sites last week.

Disclaimer

* This data is subject to variation due to individual site operations and the timing of reports.

** The total 2018/19 data includes grain received into Viterra’s storage and handling network since 8 October 2018.

***Eastern region data includes Inner Harbour and Victorian sites.
