

# Weekly Harvest Report

Week ending 18 November 2018

Viterra total	12 November – 18 November 2018*	Total 2018/19 harvest**
	<b>865,120 tonnes</b>	<b>1,352,149 tonnes</b>

Harvest has increased in most areas across the Viterra network with the biggest week of receivals so far.

Viterra received more than 850,000 tonnes of grain last week into 67 sites. Receivals picked up with the warmer weather on the weekend with over 280,000 tonnes delivered.

Barley continues to be the main commodity delivered. Wheat, canola, lentils and field peas have also been received.

Western region receivals	12 November – 18 November 2018*	Total 2018/19 harvest**
	<b>391,680 tonnes</b>	<b>556,730 tonnes</b>

The Western region received over 390,000 tonnes in the past week.

Darke Peak and Mangalo are now taking grain after opening for their first receivals during the week.

Central region receivals	12 November – 18 November 2018*	Total 2018/19 harvest**
	<b>407,008 tonnes</b>	<b>718,996 tonnes</b>

The Central region received more than 400,000 tonnes and all parts of the region are now taking receivals.

Sites in the north are starting to receive more wheat, while the mid and lower region continue to receive barley and lentils.

Eastern region receivals***	12 November – 18 November 2018*	Total 2018/19 harvest**
	<b>66,432 tonnes</b>	<b>76,423 tonnes</b>

Harvest is picking up in the Eastern region with over 65,000 tonnes received last week.

Several sites in the Mallee and South East had their first receivals for the season.
