

WEEKLY HARVEST REPORT

Week ending 3 December 2017

Viterra total	27 Nov – 3 Dec 2017*	Total 2017/18 harvest**
	773,570 tonnes	3,051,403 tonnes

More than 773,000 tonnes of grain was received into Viterra sites last week, helping total receipts pass 3 million.

Two of the season's largest receipt days came on Tuesday 28 November and Wednesday 29 November with over 240,000 and 256,000 tonnes delivered respectively.

Many Viterra sites extended opening hours on these days to give growers the opportunity to get their crops delivered before rain arrived later in the week.

Ardrossan, Bowmans, Strathalbyn and Monarto South all achieved record daily receipts.

Viterra also had its highest canola receipt day on record on 28 November with 26,246 tonnes delivered to sites across the network.

Western region receipts	27 Nov – 3 Dec 2017*	Total 2017/18 harvest**
	199,375 tonnes	919,755 tonnes

Western region sites received nearly 200,000 tonnes of grain over the past week.

Peas and barley are largely complete, with lentil and bean deliveries increasing significantly last week.

Central region receipts	27 Nov – 3 Dec 2017*	Total 2017/18 harvest**
	401,172 tonnes	1,510,030 tonnes

The Central region received over 400,000 tonnes of grain over the past week – its largest week of the season so far.

Ardrossan and Bowmans each broke a daily receipt record on 29 November, with 22,656 and 16,011 tonnes received in a day. This is a huge achievement by employees, growers and carriers.

Warraroo also loaded its first vessel of the season last week with over 27,000 tonnes of wheat.

Eastern region receipts***	27 Nov – 3 Dec 2017*	Total 2017/18 harvest**
	173,023 tonnes	621,618 tonnes

Over 173,000 tonnes of grain was delivered to Eastern region sites last week, bringing total receipts to 621,000.

Daily receipt records were broken at Strathalbyn and Monarto South. Strathalbyn took in 2,379 tonnes on 29 November and Monarto South took in 1,097 tonnes on 30 November – a credit to all employees, growers and carriers.
