

## Lentil varieties receival standards season 2020/21

Contact Quality Services if a variety is not listed.

There is a requirement for varietal segregation based on size.

Some varieties look very similar in characteristics so may be hard to distinguish between them visually so they have been grouped together based on a common variety type.

Only these listed varieties can be commingled with others within a common variety type.

Variety	Code		Type	Grades
	New	Legacy		
Herald XT PBA	L019	HLE	Small Red	NIPT1 / NIPTC
